

Magnetism — Lesson 2

ICSE Class 6 Physics · 10 MCQs · 1 mark each · Name: _____ Date: _____

Syllabus: Making a magnet, electromagnets and their uses, care & storage of magnets, demagnetisation.

Instructions: Each question has one correct option. Tick or circle the letter of the best answer. Attempt all questions.

1. In the single-touch method, the steel bar is stroked with the magnet:

- | | |
|-------------------------------------|--------------|
| A. back and forth | B. while hot |
| C. repeatedly in the same direction | D. once only |

2. An electromagnet has a core made of:

- | | |
|----------|--------------|
| A. steel | B. soft iron |
| C. wood | D. copper |

3. An electromagnet behaves as a magnet:

- | | |
|-----------------------------|---------------------|
| A. only while current flows | B. only when heated |
| C. only in the dark | D. permanently |

4. To make an electromagnet stronger you should:

- | | |
|-----------------------|---------------------------------|
| A. use a wooden core | B. increase the number of turns |
| C. reduce the current | D. reduce the turns |

5. Which device uses an electromagnet?

- | | |
|-------------------|---------------------|
| A. a see-saw | B. a wooden ruler |
| C. a glass mirror | D. an electric bell |

6. A permanent magnet is usually made of:

- | | |
|--------------|--------------|
| A. aluminium | B. steel |
| C. copper | D. soft iron |

7. The soft-iron pieces kept across the ends of stored magnets are called:

- | | |
|------------|----------|
| A. keepers | B. coils |
| C. poles | D. cores |

8. Bar magnets should be stored in pairs with their ____ poles next to each other.

- | | |
|-----------|----------|
| A. north | B. like |
| C. unlike | D. south |

9. Which of these will destroy a magnet's magnetism?

- | | |
|--------------------|---------------------------------|
| A. keeping it dry | B. using keepers |
| C. careful storage | D. strong heating and hammering |

10. Placing a magnet inside a coil carrying ____ current is a way to demagnetise it.

- | | |
|----------------|-----------|
| A. alternating | B. no |
| C. weak | D. direct |

Answer Key

1. C

2. B

3. A

4. B

5. D

6. B

7. A

8. C

9. D

10. A
